Reflection for November

*Be thankful you don't have everything you desire.
If you did what would there be to look forward to?*

*Be thankful when you don't know something
for it gives you the opportunity to learn.*

Be thankful for the difficult times.

During those times you grow.

*Be thankful for your limitations
because they give you opportunities for improvement.*

*Be thankful for your mistakes,
they will teach you valuable lessons.*

*Be thankful when you're tired and weary
because it means you've made a difference.*

*A life of rich fulfilment comes to those who are also thankful for the setbacks.
Find a way to be thankful for your troubles and they can become your blessings.*
