*From the writings of St. John Chrysostom*

If you cannot find Christ in the beggar at the Church door you will not find him in the Chalice. Prayer is the place of refuge for every worry, a foundation for cheerfulness, a source of constant happiness, a protection against sadness.

Happiness can only be achieved by looking inward and learning to enjoy whatever life has, and this requires transforming greed into gratitude.

When we teach our children to be good, to be gentle and forgiving (all these are attributes of God) to be generous, to love their fellow human beings, to regard this present age as nothing, we instill virtue in their souls and reveal the image of God within them.

Why not learn to enjoy the little things, there are so many of them.
