Reflection

Often, we light candles as a sign of remembering and, like the remembrance of God, we do something too. As we light the candle, we say a prayer for that person that they may be enjoying the marvellous light of heaven.

The candlelight reminds us that we too have the opportunity to share the light of hope that we carry with others. When you are in a dark place, the warmth of a smile or a kind word can mean a lot. It may feel that our own light is very small and insignificant in times of darkness but each time it is shared, it is not halved but doubled.

Together we really can make a difference.
